participating). It would be nice to do some regression modeling. Regular vs. Probationary, GA vs. Non-GA, VSU undergrad vs. Non-VSU undergrad, International vs. Non-International, Full-time vs. Part-time, and Fully online vs. Hybrid vs. Face to Face would be some of the key independent variables to predict retention rates across programs. If you want your program involved let us know.

Motion was made to adjourn at 3:03.
