

Sexual Misconduct and Title IX

Policy Statement

In accordance with federal and state law including, Title IX of the Education Amendments of 1972 (“Title IX”) and Title VII of the Civil Rights Act of 1964 (Title VII), Valdosta State University (VSU) prohibits discrimination on the basis of sex in any of its education programs or activities or in employment. VSU is committed to ensuring the highest ethical conduct of the members of its community by promoting a safe learning and working environment. To that end, this Policy prohibits Sexual Misconduct, a form of sex discrimination, as defined herein.

VSU is committed to reducing incidents of Sexual Misconduct, providing prevention tools, conducting ongoing awareness and prevention programming, and training the campus community in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”) and the Violence Against Women Act (“VAWA”). Prevention programming and training will promote positive and healthy behaviors and educate the campus community on consent, sexual assault, sexual harassment, alcohol and drug use, dating violence, domestic violence, stalking, bystander intervention, and reporting.

When Sexual Misconduct does occur, all members of the VSU community are strongly encouraged to report it promptly through the procedures outlined in this Policy. The purpose of this Policy is to ensure uniformity throughout VSU in reporting and addressing sexual misconduct. This Policy applies to all members of the VSU community. This Policy is not intended to infringe or restrict rights guaranteed by the United States Constitution including free speech under the First Amendment, or the due process clauses of Fifth and Fourteenth Amendments.

Reporting Structure

Title IX Coordinators (“Coordinators”) at VSU shall have a direct reporting relationship to both the institution’s President or the President’s designee and the VSU System Director for Equity and Investigations (“System Director”). The President of each institution shall determine the organizational and operating reporting relationships for the Coordinators at the institution and exercise oversight of institutional issues relating to Sexual Misconduct. However, the System Director shall have authority to direct the Coordinators’ work at each institution as needed to address system-wide issues or directives. The President of each institution shall consult with the System Director on significant personnel actions involving Coordinators, to include but not be limited to, appointment, evaluation, discipline, change in reporting structure, and termination.
